BUSINESS UPDATE

April 2026 | Vol. 43, Issue 4b

A Message from our Executive Director

Renée Louzon-Benn

The Chamber leadership and staff are happy to note that our efforts at connecting members to customers and strengthening members' business relationships and networks are bringing increased value to Chamber memberships. We have found from our annual member e-survey, that our members appreciate our expanding "virtual business-referral system." Through your suggestions, the Chamber has stepped-up its visual presence.

For instance, in February, we emailed 5,228 e-newsletters and had a 52% open rate; there were 14,338 new users on the Chamber website; made 64 posts on Facebook, 70,042 impressions; 29 posts on Instagram, 5,309 views; 31 posts on LinkedIn, 1,656 impressions and 21 posts on X with 442 impressions. On our YouTube channel, 17 videos were published and had 3,898 views.

By increasing our communications to a much wider audience and interacting with them virtually, we are increasing both name and visual awareness of our members with the public, which means more potential customers for you.

Congratulations to Fuss & O'Neill Manufacturing Solutions, LLC
