### **A Message from our Executive Director**

Renée Louzon-Benn

Last month, Board members and Chamber staff participated in the annual planning session for the incoming year. Discussion was focused around the results of the recent membership survey. Member comments and responses to the survey conveyed the value the Chamber provides to each of its members-businesses.

These include referrals to your business; Certificate of Origin service at no cost; business listed in the online Member Directory alphabetically and by business category, as well as the print directory; weekly Chamber e-Newsletter - share business news and updates with the Chamber for inclusion in the Business Briefs in the e-Newsletter; free ribbon cutting for new businesses or business anniversaries (when requested); free job postings on Chamber website; New Member recognition in e-Newsletter; membership plaque and sharing posts from member Facebook pages on the Chamber Facebook page.

The Chamber offers members many ways to connect with colleagues and customers. To find out how the Chamber can help you to build your business network, email [membership@casagrandechamber.org](mailto:membership@casagrandechamber.org).

## Business Briefs

[Hospice of the Valley's](#) Dementia Care and Education Campus is opening in early 2022 at 44th Street and Indianola Avenue in Phoenix. This campus will be a place where people can live life to the fullest and receive exceptional care for all types of dementia. From the earliest stages to the most advanced, loved

ones and their caregivers will receive compassionate support and education to help ease a challenging journey. A big component of this beautiful care comes from volunteers who visit with patients and families. We invite you to join our volunteer family and truly change lives with your companionship, conversation and laughter. The campus also has a need for volunteers with professional talents — licensed/certified hair stylists, nail artists and yoga instructors who enjoy pampering someone with a relaxing experience that lifts or calms the spirit. To volunteer at the Dementia Care and Education Campus or with Hospice of the Valley, please contact Angela Hofler at [ahofler@hov.org](mailto:ahofler@hov.org) or (602) 739-4717. It may be one of the most fulfilling things you ever do!
