

Greater Casa Grande  
Chamber of Commerce

## ***BUSINESS UPDATE***

*February 2022 | Vol. 39, Issue 2b*

### **A Message from our Executive Director**

Renée Louzon-Benn

Recently, I was asked how Casa Grande compares to other rapidly growing cities in the suburbs of the Valley. The truth is, Casa Grande is not a suburb of the Valley. Casa Grande has its own unique history that has defined who we are today, and it is that history guides our future. Our community has retained our small-town appeal even as we continue to grow as a progressive city. And, Casa Grande is primed for growth, carefully planned by the City with extensive input from the community. By retaining the hometown charm our community members and business owners wanted, we are growing as Casa Grande should. We want to be Casa Grande.

As the trusted, one-stop shop for information, the Chamber provides tools members can use to grow their businesses and to connect with the business community in a purposeful way.

The Chamber represents and advocates for local businesses. We convene community leaders to discuss local issues and make sure we have a business-friendly environment. We provide an opportunity for member-to-member supply-chain development by connecting our members with other Chamber members who can meet their business needs face-to-face. We can facilitate member satisfaction by convening members with common interests such as the Young Professionals group and the Healthcare Roundtable and by offering public events in which our members can meet with customers such as the [\*\*Home, Health and Lifestyle Show\*\*](#), (to be held Saturday, March 5 on the southeast corner of I-10 and Florence Blvd., in the former Sam's Club, soon-to-be Jones Ford Auto-Plex).
