BUSINESS UPDATE

January 2026 | Vol. 43, Issue 1d

Business of the Week
Kid-1 Pediatric Dentistry

Congratulations to Business of the Week, **Kid-1 Pediatric Dentistry**, located at 907 E. Cottonwood Ln., Ste. 1 in Casa Grande. Established in 1999, Kid-1 Pediatric Dentistry is a dental practice geared to the special needs of children. Pediatric Dentistry is a dental specialty that focuses on treating and diagnosing dental issues in infants, toddlers, adolescents, teenagers, children with special needs or complex medical issues and young adults. Pediatric dentists complete a dental residency which is an additional 2-3 years after they have completed dental school to specialize working with these groups.

As Casa Grande's first full-time pediatric dental office, the team at Kid-1 Pediatric Dentistry, has extensive experience and specialized training in dealing with the dentistry needs of children. The equipment and supplies are all tailored to the smaller size of children and they have rooms designed to entertain and make children feel more comfortable. They understand that dental emergencies can happen unexpectedly, causing pain and distress. That's why they offer prompt emergency appointments to provide relief when it's needed most. Whether it's a severe toothache, a knocked-out tooth or any other urgent dental issue, the experienced team is there to help.

The skilled pediatric dentists are trained to handle a wide range of dental emergencies with care and expertise. Your child's comfort and well-being are prioritized to alleviate pain and address the underlying issue with gentle care and effective treatment. Families whose children may need specialized dental care are encouraged to call Kid-1 Pediatric Dentistry at 520-876-5431 for detailed information and to mention that they were referred by the Casa Grande Chamber of Commerce & Tourism Office.
