July 2026 | Vol. 43, Issue 7d

Congratulations to Florence Copper LLC

UPDATE: Chamber Membership Dues

In October, we will move from our current dues structure based on a member's business category and number of employees, apartments, hotel rooms or RV spots - which we have used for more than 20 years - to an updated, value-based membership dues system. For most businesses, this will be an increase. We've focused on raising revenue outside of dues, which has allowed us to go 8 years without a dues increase in a time of inflation.

Please review the **levels of membership** on our website to determine which level best fits your business model and **let us know your selection by Friday, July 31, 2026** by emailing **president@casagrandechamber.org**. Then, when your annual renewal comes up, you'll see the updated rate reflected on your invoice.

We are grateful for your understanding. Our promise to you remains the same: Every dollar of your dues goes directly toward the programs, advocacy, and community that have proven to move your business forward.

Thank you for your continued membership!

Call for Board Members

Are you interested in serving on our Board of Directors?

Taking a leadership role on the Chamber's Board of Directors can positively impact your own business as well as the local business economy. Board member service brings additional opportunities to further build your business networks and can help to guide the direction the Chamber takes in providing the most value to each Chamber-member business. Board lunch meetings are held once a month, ten months per year, and most other communication with staff is conducted via email.

If you would like to be considered for a position on our 2027 Board of Directors. Please read the attached Information Guidelines for Directors and complete and return the Candidate Statement to Renée Louzon-Benn by August 28, 2026.

Business Briefs

The Desert Southwest Expansion Project (**Energy Transfer**) is a 520-mile underground natural gas pipeline that will deliver natural gas to Arizona and New Mexico to meet increasing demand for electricity driven by growth throughout the Southwest.

Over the next two weeks, the Federal Energy Regulatory Commission (FERC) is hosting a **series of meetings** to gather public input on the Project. **We encourage you to attend and voice your support for the Project.**

This Project will ensure that Arizona remains competitive with other high-growth states by providing the reliable, cost-effective energy necessary for economic development and job creation, particularly as energy demand is projected to soar.

OfficeMax is proud to support local businesses with their Print Services initiative. Each store features a dedicated table next to Print Services, designed to showcase printed materials from local businesses, such as menus and brochures. This initiative offers extra visibility for local businesses and highlights the quality of their print services. As they embrace the Year of Local, they invite businesses to feature their work, providing them with additional exposure and allowing OfficeMax to demonstrate their capabilities. Join us in celebrating local businesses at OfficeMax, where locals go!

Valley Humane Society is now open 7 days a week from 10:00 am - 4:00 pm. For more information call (520) 836-0904 or email **valleyhumaneaz@gmail.com**.
