Greetings from the Chamber

Brian Gardanier - *APS*

Chairperson, Board of Directors

If you have not completed our two-minute Mid-Year Survey yet, we encourage you to do so now. Your responses to the survey are very important to the staff and Board, to make sure we are on the right path in bringing the most value to our Chamber members.

The Chamber listens very closely to “the voice of the customer” and you are our customers. Your feedback regarding Chamber events, business tools and services, promotion of member businesses and advocating for business (building a strong local economy) generates discussion and implementation of changes that you, our customers, have suggested. Thank you, in advance, for sharing your thoughts with us.
