Chamber of Commerce

## ***BUSINESS UPDATE***

*July 2021 | Vol. 38, Issue 7b*

### **A Message from our Executive Director**

Renée Louzon-Benn

#### **Read all about it!**

We are expanding the ways we communicate with our members and the ways our members can connect with potential and current customers.

In January 2021, we entered into production of our 2021 Business Directory & Community Resource Guide planning to print ½ of the anticipated copies in January, and printing the remaining half mid-year.

This was a first for us, and means that members who have joined the Chamber since the January production will now be listed in the Membership Index (alphabetical) and in the Buyers Guide (business categories) sections of the book. And, we will begin working on the 2022 Chamber Business Directory next month, as well.

The Chamber's 2021-2022 Casa Grande Street Map will be available later this month. We thank our members who placed display ads in these publications. This makes the production possible and ensures that the publications continue to be distributed free-of-charge to all customers.

Finally, this fall, for the first time the Chamber will work with our publishing partners, Kramer Media Group, to produce the Casa Grande Visitors Guide. We look forward to reaching out to highlight how much our city has to offer visitors.
