BUSINESS UPDATE

June 2026 | Vol. 43, Issue 6b

A Message from our Executive Director

Renée Louzon-Benn

The Chamber is here to support the entire Casa Grande community through our Chamber-member business community.

To paraphrase President Kennedy, "A rising tide lifts all ships." When we provide personal connections, networking opportunities and resources for business growth, the success of each business strengthens the entire business community in Casa Grande.

We recommend each Chamber member, visually, both in print and interactively, on our website in the Member Directory. In last week's e-newsletter, we highlighted the number of business connections made across various business categories during a one-month period. This demonstrates the effectiveness of our exclusive online networking system in helping members connect with prospective customers and grow their reach.

In addition, we have increased the number of video posts about Chamber businesses on all of the Chamber's social media sites and YouTube channel, sharing photos and videos of Chamber businesses receiving membership plaques, ribbon cuttings, Business of the Week and Chamber events. Not only have the number of views about Chamber businesses increased dramatically but we now have a 50% open-rate for our weekly e-newsletter!

Congratulations to Sircle Pain Clinic
