

Greater Casa Grande
Chamber of Commerce

BUSINESS UPDATE

March 2022 | Vol. 39, Issue 3b

A Message from our Executive Director

Renée Louzon-Benn

The Chamber is Casa Grande's Welcome Center for visitors, new and longtime residents and the businesses/industries that are here now as well as those that are considering relocating or expanding to our area. Our annual Community Resource Guide & Business Directory is a **premier welcome guide**, created to inform current and potential community residents and businesses about Casa Grande's forward-looking government, services, education and amenities.

We are happy to announce that the Chamber's [**2022 Community Resource Guide & Business Directory**](#) is now available for distribution at the Chamber office, free-of-charge. What sets our welcome/reference guide apart, is that this directory lists every Chamber-member business twice. We encourage using the guides as Casa Grande's primary local-information resource. Since we know each of our members and the quality of their work, services and products, we always point residents, visitors and other businesses, to our Chamber-member businesses first, in print, online and in person. Consider it a multi-faceted referral service.

The hometown charm and optimistic energy that we all enjoy in Casa Grande, are conveyed in our new community welcome guide as well as our other [**publications**](#). We'd like to thank all of our Chamber members and advertisers who support the Chamber, and Kramer Media, our publishing partners on this great directory, who have made this publication possible!

One copy of the Community Resource Guide is being sent to advertisers on Tuesday. Stop by anytime Monday through Friday, from 9:00am to 5:00pm to pick up a supply for your business.
