BUSINESS UPDATE

March 2022 | Vol. 39, Issue 2a

Greetings from the Chamber

Brian Gardanier - *APS*

Chairperson, Board of Directors

As the Chamber and Casa Grande move through the busy winter events season, we continue to plan for the rest of the year, keeping an eye on the growth of our city and the business community. The Chamber's role in this growth is to provide current information about Casa Grande to residents, newcomers, businesses seeking to relocate to the area and visitors.

The Chamber advocates for the business community. We provide our Chamber members with access to our unique business-development services and information: publications, e-updates, digital promotion of your businesses and literally thousands of referrals a year to inquiries from the public. We bring Chamber members together at meetings, programs and venues to share new ideas and further develop

their own strong business networks.

One such program is the Biz Outlook Luncheon, this Friday, March 11 at The Property Conference Center. Representatives from the Cactus Mine will present information about how this mine will positively impact the economy and the workforce, while reducing its carbon footprint through green technology. Reservations for the luncheon are required by tomorrow - RSVP today!
