

Greater Casa Grande
Chamber of Commerce

BUSINESS UPDATE

May 2022 | Vol. 39, Issue 5a

Greetings from the Chamber

Brian Gardanier - *APS*

Chairperson, Board of Directors

In the past few years, the Chamber has set goals differently than our traditional model: We have enhanced and increased digital communication and focused on implementing ways to bring value to Chamber membership, many suggested by Chamber members. Our smaller network-building groups based on common demographics and/or business category, such as Healthcare Roundtable and Young Professionals, are gaining traction and growing.

At the moment, the Chamber has a 92% member-retention rate - which is excellent. Feedback is that members like being part of the Chamber and the Chamber's energy. As we move forward, we continue to rely on your input to continually develop relevant benefits the Chamber can offer your businesses and the community.

Business - Community - Connections - Opportunity
These are the Chamber's areas of focus...and also a great way to promote our member businesses and Casa Grande Community.

We were excited to join the team at **Nation of Barbers & Beauty Academy**, Saturday, April 30, for a ribbon cutting celebration as part of their "Grandest Opening." Attendees enjoyed food trucks, bounce castle, DJ music, the Barber Battle for Licensed barbers, raffles and prizes. Whether you need a barber or want to become a barber, give Syisha a call at (520) 249-6749.
