BUSINESS UPDATE

November 2020 | Vol. 37, Issue 11e

Business of the Week

Congratulations to [Alliance Cancer Care Arizona](#) this week's Business of the Week.

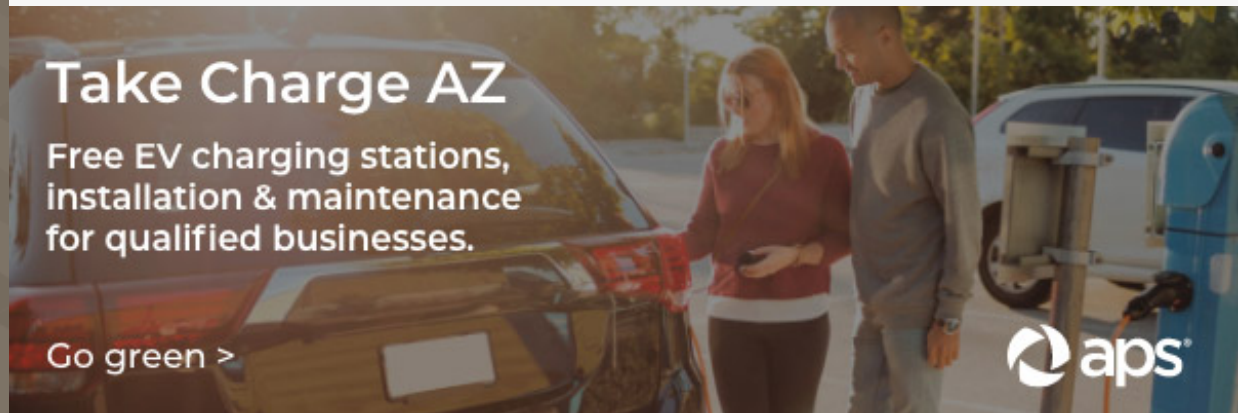

The Alliance Cancer Support Center (ACSC), formerly known as Cancer Support Group, a 501c3 non-profit corporation, is brought to the community by Alliance Oncology, and is the first facility of its kind in Casa Grande. Since its original founding on January 6, 2012, it has been the goal of ACSC to provide education and support to those in the community who have been affected by cancer, as well as anyone simply interested in health and well-being.

At ACSC, located at 1876 E. Sabin Dr. #10 in Casa Grande, everyone is invited, including cancer patients, survivors and their families, caregivers and friends, as well as educators and students. The ACSC is designed to serve the needs of those seeking comfort and wellness, close to home. The center offers services such as support groups, yoga and cooking classes, massage therapy,

and a resource library with free and for-borrow educational materials.

Dr. Ramon Mourelo is an accomplished board-certified general surgeon with over 15 years of experience. Dr. Mourelo is focused on improving the health of all patients in the community. He performs all general and oncology surgeries that can be done either open, laparoscopic or robotic at Banner Casa Grande Medical Center and Chandler Regional Medical Center.

For more information about Alliance Cancer Support Center, including hours and current health and safety requirements, call 520-836-9800, or visit www.accarizona.com.
