BUSINESS UPDATE

October 2021 | Vol. 38, Issue 10a

Greetings from the Chamber

Ole Solberg - *Solberg Engineering*
Chairperson, Board of Directors

Chamber Membership survey to be emailed soon

Each year, the Chamber emails a short survey to our members to determine how the Chamber is meeting the needs of all its members. Our goal is to provide the tools, programs, communication and the opportunities to connect members to other members and potential customers, and helpful resources.

We are grateful for your membership and want to continue to provide you with the most value for your membership. In order for the Chamber Board of Directors to see the big picture, in terms of meeting the expectations of the membership, we want

to encourage you to answer the email survey thoughtfully so that we can determine what is working well and what we could change to increase the value you receive from your membership.

Our goal is to help each of your businesses thrive and grow. Your responses to the survey will help us to make sure we are on-track. At its planning session for 2022, the Board of Directors will utilize the input you have provided on the survey to improve, change, repurpose and implement the programming according to your responses.

Thank you, in advance, for your participation.

Business of the Week

AVON Products - Laurie Inselmann

Congratulations to [AVON Products - Laurie Inselmann](#) this week's Business of the Week. This year marks the company's 135th anniversary of its founding. Founder David H. McConnell was a pioneer, a visionary and a champion of empowering women through economic opportunity; a mission as relevant today as in 1886.

Avon continues to **make life beautiful**, both through their super-trending products and by providing individuals the opportunity to earn supplemental income. Many representatives today who grew up watching their relatives sell Avon decided to build an Avon businesses of their own and empower others in their own communities.

If you would like to purchase any Avon products or to learn about becoming a representative, please contact Laurie at 520-840-1564 or visit her Facebook page at www.facebook.com/beautybylpi and tell her the Greater Casa Grande Chamber of Commerce sent you.
